## **Blue Moon Announces Follow on Investment of C\$4.8M from Hartree**

**TORONTO, Ontario, April 22, 2026** – Blue Moon Metals Inc. (“**Blue Moon**” or the “**Company**”) (TSXV: MOON; NASDAQ: BMM) is pleased to announce that further to its investor rights agreement dated March 7, 2025 (the “**Hartree IRA**”) Hartree Partners LP (“**Hartree**”), a strategic partner to the Blue Moon, has issued to the Company notice of their intention to exercise their “top-up right” as it relates certain share issuances completed by the Company through March 31, 2026.

Subject to the approval of the TSX Venture Exchange, an aggregate of 526,617 common shares (the “**Hartree Shares**”) will be issued to Hartree at a price of \$9.06 per Hartree Share for total gross proceeds of approximately C\$4.8 million (the “**Financing**”), calculated in accordance with the Hartree IRA, to retain its interest in the Company.

Completion of the Financing is subject to approval by the TSX Venture Exchange and is expected to close by about April 29, 2026. No finder’s fees were paid in connection with the Financing, and the Hartree Shares issued pursuant to the Financing will be subject to a statutory 4-month and one day hold period in Canada from the date of issuance. The proceeds from the Financing are expected to be used for project development at the Company’s brownfield polymetallic projects, as well as for general corporate purposes.

### **About Blue Moon**

Blue Moon is advancing 5 brownfield polymetallic projects, including the Nussir copper-gold-silver project in Norway, the NSG copper-zinc-gold-silver project in Norway, the Blue Moon zinc-gold-silver-copper project in the United States, the Springer tungsten-molybdenum project in the United States and the Apex germanium-gallium-copper project in the United States. All 5 projects are well located with existing local infrastructure including roads, power and historical infrastructure. Zinc, copper and tungsten are currently on the USGS and EU lists of metals critical to the global economy and national security, and germanium and gallium are also on the USGS list of critical metals. Major shareholders include Teck Resources Limited, funds managed by Oaktree Capital Management, Hartree Partners LP, Wheaton Precious Metals, Altius Minerals Corporation, Baker Steel Resources Trust, LNS and Monial.
